Do these ingredients come from the plant’s flower, fruit, root, leaf and/or stem?

Identify the plant parts we eat when we munch on these foods! Write “flower”, “fruit”, “root”, “leaf” and/or “stem” under each picture or draw lines between the pictures on the right and the diagram on the left.

Correct answers are: 1. root 2. fruit 3. stem and flower 4. leaf 5. root 6. stem 7. stem 8. leaf 9. fruit
