**Notes :**

The Museum's Board of Trustees provides sound governance, fiduciary and strategic oversight and direction to the Museum and plays a leading role in its fundraising activities. Members of the Board of Trustees are each called on to govern, to give and to galvanize support for the Museum. This is key to successful fundraising.

As at March 31, 2019, \$50,875 (\$74,485 - March 31, 2018) in retainers and per diems were forfeited by Board Trustees to support the Museum's programs of research and education.
